

# FTS FABRICS

## CUSTOM LINE OF WIDE-WIDTH FABRICS

*Custom dyed FTS Fabrics installed on theatre walls.*

### What are **FTS WIDE WIDTH FABRICS**?

Included in Fabri Trak Systems, Inc.'s product portfolio of Wide and Ultra-Wide Width Fabrics is the FTS Custom Line portfolio of Wide Width Fabrics comprising of the CLASSIC, WATERFALL AND WEAVE COLLECTIONS.

### Why **FTS WIDE WIDTH FABRICS**?

The Custom Line of FTS Wide Width Fabrics is intended to permit the Designer's creativity to be expressed in a virtually a limitless motif of colors, patterns, shapes and designs in fabric widths of 10 feet that eliminate distracting horizontal seams on interior walls.

### Designers Suggest:

- ✓ **Professional Spaces**
- ✓ **Restaurants**
- ✓ **Residential**
- ✓ **Retail**
- ✓ **Sporting Venues**

# DESIGN THAT **SOUNDS** AS GOOD AS IT **LOOKS.**

Residential space with FTS Fabrics installed on walls.
